### **Medical Book Exhibition 22.11.2022**

The Central Library, All India Institute of Medical Sciences, Rajkot had organised a one-day Book exhibition on 22<sup>nd</sup> November 2022 on 1<sup>st</sup> floor, AIIMS temporary building, PDUMC campus, Rajkot, Gujarat under the guidance of Executive Director Dr. (Colonel) C D S Katoch. This exhibition was inaugurated by Dr. Vivek Sharma, In charge Dean Academics and Head of the Department of Physiology, AIIMS Rajkot. Books have always been a part of human life, refining it, redefining it, creating a parallel reality and generating a critical thinking pattern to comprehend it in logical manner. The books in medical science are compilation of knowledge we have achieved over centuries.

The noble objective of this exhibition was to make MBBS students aware about variety of medical books and information resources available under various leading publications i.e. Wolter Kluwer, Jaypee Brothers, Elsevier, Student Book Store, Jay Books. All publishers had displayed their collection of medical books of pre-clinical, para clinical and clinical books for Medical students. All attractive discounts were also given by all book sellers. There was an active and enthusiastic participation of faculty members to view latest books in their subject of choice.

Pre briefing about book exhibition was also done on 21<sup>st</sup> November 2022 during foundation course batch 2022. This informative session was taken by all library committee members. Dr. Suman Bodat described about the issue-return process and rules of library to the students. Dr. Mamta Singh also informed about the importance of library and library resources.

Library committee members, AIIMS Rajkot also invited faculties of AIIMS, Rajkot for active participation during book exhibition. It is therefore imperative for AIIMS Rajkot to create a culture of learning with its own set of values which will help it to collaborate in key areas of medical education.
