

“Chandrayan Mahotsav 2023” Celebration

All India Institute of Medical Sciences, Rajkot celebrated the “**Chandrayan Mahotsav 2023**” with faculty, students and staff on 4th September, 2023 at its permanent campus at Khanderi, Rajkot with great enthusiasm and victorious fervour under the abled guidance and direction of Prof. Dr. (Col.) C D S Katoch, Executive Director, AIIMS Rajkot to mark the celebrate the victory of Chandrayan-III where India creates history by being the first country to land on Moon’s South Pole.

The “Chandrayan Mahotsav 2023” is significant as it stands as a reminder of the dedicated efforts of our great scientists of Indian Space Research Organisation (ISRO). As Hon’ble Prime Minister Shri Narendra Modi ji said “Chandrayaan-3 has started a glorious chapter in India's space journey. It is taking the dreams and ambitions of every individual of India to touch higher heights. This significant achievement is a testimony to the tireless dedication of our scientists. I salute their enthusiasm and talent.” We can never forget the contribution made by our great leaders.

The program was conducted by Dr. Utsav Parekh, Provost, Boys Hostel with support from Col. Puneet Kumar Arora, Deputy Director (Admin), Prof. (Dr.) Sanjay Gupta, Dean (Examinations) & Senior Vice Dean (Academics) and from administration department. On 4th September, 2023 16:00 hrs, following the opening remarks and welcome note by Dr. Utsav Parekh, displaying of video on Chandrayan-III landing on the moon released by ISRO was displayed in plenary with a big screen facility and adequate audio-visuals so that all faculty and students can watch it.

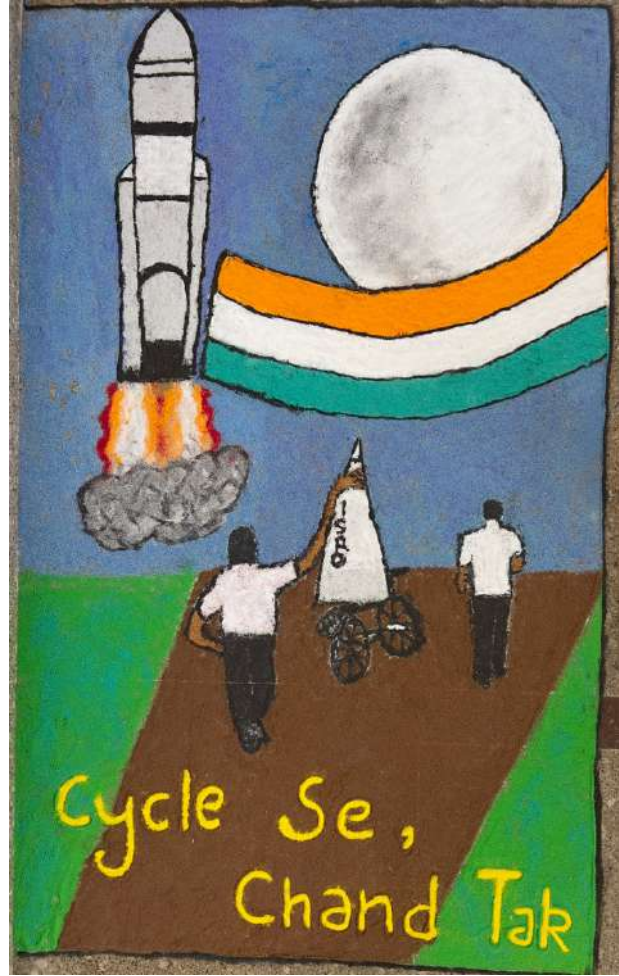

MBBS students of AIIMS Rajkot, Gayatri Behl and Deep Hinsu said few lines on the victorious moments of the Chandrayan-III and showcased the achievements of India in the Space which pushed India in the first row of the countries of the world. Respected Prof. (Dr.) Vivek Kumar Sharma, Dean (Academics) and Prof. (Dr.) Sanjay Gupta Dean (Examinations) & Senior Vice Dean (Academics) emphasized on the importance of the space mission in development of India and motivate the students with reference to the program.

A selfie point was also arranged with the theme “**Chandrayan-III on the Moon**” which was aptly joyed by the faculty and students. Beautiful Rangolis were created by the teams of MBBS Students on the theme “**Cycle se Chand Tak**” and “**Jai Vigyan, Jai Anusandhan**” The celebrations for the day ended with clicking of group photographs.
