## **CENTRAL LIBRARY**

### **NATIONAL LIBRARY WEEK 14th November - 20th November, 2022**

National Library Week is an annual celebration highlighting the valuable role of libraries & librarians in transforming everyone's life. Through access to numerous books, various technologies, multimedia content, and activities, readers are given a new world in each library, helping them to become their best selves.

The theme of National Library Week 2022, "**Connect with Your Library**" promotes the idea that libraries are places to connect to technology." The overall message is an unambiguous call to action, inviting communities to get involved, go to the library, or promote it.

ILA (Indian Library Association) declared November 14-20, as '**National Library Week**' and since 1968, a number of initiatives have been run to educate the public about libraries.
